²Registered Members-in-Training who are applying to become full members.

³A member is defined by the Act as a professional who is resident in the Northwest Territories or Nunavut.

⁴Those professionals not resident in the NWT or Nunavut are licensees.

⁵Those members/licensees who are not practicing engineering, geology, or geophysics in the NWT or NU are non-practicing members/licensees.

⁶A firm (partnership, corporation or association of persons) that is practising one or more of the professions in the Northwest Territories and/or Nunavut must have a Permit to Practice. Where a firm maintains an office in the NWT or Nunavut, at least one professional representative must be resident in that territory unless Council, in its discretion, dispenses with that requirement.
