Please note the governing legislation in the NT/NU requires that firms must have a Permit to Practice if they are practicing professional engineering or professional geoscience in the NT/NU. If you are practicing professional engineering on behalf of a firm, the firm is considered to be practicing and must have a Permit to Practice. If you are a sole proprietor and incorporated, you must have a Permit to Practice. If the firm believes it does not require a permit, the firm may [Request for Exemption](#) explaining why the firm does not require a permit.

5. EXPERIENCE AND REFERENCES

- a. All applicants are required to provide a current resumé.
- b. Do not provide the names of your references at this time. We will contact you if they are needed.

6. CHARACTER

Have you ever been found guilty of, or is there an outstanding judgement against you for:

- | | | |
|--|-----|----|
| a. unprofessional or unskilled practice by a professional regulatory organization or agency? | Yes | No |
| b. an offence under the Engineering or Geoscience Professions Act or Regulations or equivalent legislation in other jurisdictions? | Yes | No |
| c. any criminal offence? | Yes | No |
| d. negligence due to unskilled practice of the professions in any civil actions made against you? | Yes | No |

If you answered yes, to any of the above questions, please send information relating to the issue, in confidence, directly to NAPEG’s Executive Director and Registrar, registrar@napeg.nt.ca.

Please note that NAPEG Code of Ethics #12 says that Professional Engineers and Professional Geoscientists shall advise the Executive Director, without delay, of the initiation of discipline proceedings against themselves by an extraterritorial disciplinary body.

7. PROFESSIONAL PRACTICE

- a. Check one: I will pass the Professional Practice Examination to fulfil the registration requirements
 I have successfully completed the Professional Practice Examination through Province/Territory _____ Year _____
- b. [NAPEG Essay](#) - All Professional Engineer or Professional Geoscientist applicants (not required for Member-In-Training and Reinstatement applicants) will write and submit a 300-500 word essay demonstrating their understanding of how their professional practice will differ in the Northwest Territories and Nunavut (NT/NU) from practice in other jurisdictions.

The essay may include specific examples related to the differences in the acts, codes, and laws, and/or specific examples related to the difference in the environmental, social and geological setting of the Northwest Territories and Nunavut. The essay may reference such topics as weather extremes, operating seasons, remote access, permafrost, climate change, land claims, community consultations, and wildlife and/or soil/vegetation impact sensitivity. The essay should consider the potential effects these differences have on your professional practice, not what differences do exist.

8. PROFESSIONAL STATUS

11. APPLICATION CHECKLIST

In order to have my application processed in a timely manner, I have attached my:

- NAPEG Essay **AND** current resumé **AND** Government issued photo ID **AND** Application Fee

Applications can be [emailed](#), faxed to 867-873-4058, or mailed to NAPEG, 201, 4817 - 49th Street, Yellowknife, NT X1A 3S7. If you e-mail or fax your application, please follow-up by sending your original application and the copy of your government issued photo ID by regular mail so NAPEG has the original signature(s) and a clear copy of your photo ID on file. It is not necessary to re-send other supporting documents, as long as the copy submitted is readable.

12. APPLICATION FEE

The application fee must be submitted with the completed application and is non-refundable.

See attached Application Fee Form.

13. ANNUAL DUES AND STAMP

After approval of registration, you will be provided with log in instructions to access your NAPEG account and pay the invoice for the annual dues and professional stamp (if applicable). At this time, you will also be able to access the receipt for the application fee. Current dues will be pro-rated based on the date at the time of registration. Invoices are due when rendered. * Please note NAPEG has a "no refund" policy.

Your registration with NAPEG will not be complete until the payment of annual dues and the professional stamp (if applicable). Any accounts not paid within 90 days, will result in the application being closed and a new application with associated application fees will be required.

Member-In-Training	\$105.00 (\$100.00 plus GST)
Professional Engineer/Professional Geoscientist	\$357.00 (\$340.00 plus GST)
Professional Stamps	\$42.00 (\$40.00 plus GST)

[Professional stamps](#) and registration certificates are provided after an applicant has been approved by Council and/or Registrar **AND** after the invoice for annual dues and the stamp is paid. All stamps remain the property of the Association and shall be returned on termination of registration. If you may have further practice in NT/NU in the future, you may retain the stamp for the time being.

14. OTHER IMPORTANT INFORMATION FOR NAPEG REGISTRANTS

- Engineers Canada sponsors a range of products and services that provide value-added benefits to all NAPEG registrants and their families. Members can go directly to the Engineers Canada website for more information.
- It is essential, in the interests of the public, that Professionals engage in lifelong learning to maintain competence. NAPEG's Continuing Professional Development (CPD) program is mandatory.
- Annual renewal begins in November of each for the next year. Renewal notices will be sent to your primary email address. Failure to complete your renewal by March 1 will result in an automatic \$45 late fee. Failure to renew by April 1 may result in being struck from the register.
- If you are no longer practicing in the NT/NU, and feel that you no longer require licensure with NAPEG, you must submit your resignation in writing, declaring that you are no longer practicing in the NT/NU. Failing to do so, may result in being struck from the register.
