2020 NAPEG Professional Development Symposium Expression of Interest

NAPEG's Professional Development Committee is seeking speakers for talks at the 2020 Professional Development Symposium that is being held in Yellowknife, NT on March 12 - 13, 2020. The theme is "Climate Change: Infrastructure, Adaptation and Professional Practice". The description of your proposed talk should be a maximum of 500 words. Talks will range from 30 to 45 minutes, including time for questions from attendees.

The deadline for expression of interest is December 31, 2019 and should be submitted to napeg@napeg.nt.ca.
