

DISTINGUISHED LIFE MEMBERSHIP TERMS of REFERENCE

Purpose and Eligibility Criteria

Council in its discretion, by unanimous vote, may confer Distinguished Life Membership in the Association upon any member who has rendered signal service to the Association, and through his/her own initiative and leadership, has rendered eminent service to the engineering or geoscience professions.

NAPEG reserves the right to cancel, withdraw or amend any honour without prior notice.

Nomination Procedure

- In December each year, NAPEG will forward the call for award nominations to NAPEG membership, as well as other potentially interested parties.
- The deadline for submitting nominations is 4:00 pm on January 31st each year.
- Self-nominations will be accepted.
- All nominations must be submitted to the Honours & Awards Committee of NAPEG.
- Guidelines on completing and submitting a nomination are included with the nominations form.

Selection Criteria

Consideration will be given to continued leadership in the profession and in the community, to outstanding achievements, and to recognition obtained. Nominees will be evaluated with the following criteria:

- Engineering and/or Geoscience excellence and recognition of achievements within the profession, business or industry, or education sector;
- public education and understanding of the role of engineering and professional engineers;
- active participation in engineering associations, societies, or institutes; and
- active participation in commissions, voluntary organizations, community organizations, and other paid and/or unpaid work beyond the profession.

Selection Process

Recipients will be recommended by the Honours & Awards Committee of NAPEG, and must be unanimously approved by the NAPEG Council.

Announcements

- The recipients will be notified in writing.
- The honour will be presented during the annual NAPEG Awards Dinner in May of the respective awards year.
- The honour recipients agree to standard publicity notification arranged by NAPEG.
