NAPEG AGM - March 2020

Thank you to the out-going President, Karen Costello, P.Geo., for another successful Annual General Meeting on March 11, 2020. Welcome to the new President, Justin Hazenberg, P.Eng. to his two-year term as NAPEG President.

We also welcome Melanie Williams, P.Eng., 1st Vice President, and Paul Guy, P.Eng., 2nd Vice President. New Councillors are Dinah Elliott, P.Geo., Carlos Philipovsky, P.Eng., and Kamran Ata, P.Eng.

Karen Costello, P.Geo.; Justin Hazenberg, P.Eng.

Thank you to Yuri Kinakin, P.Geo., Mark Cronk, P.Eng., and Minister Katrina Nokleby, P.Eng., for your past service on NAPEG Council. Your dedication and continuing service are much appreciated.

We managed to have the NAPEG AGM, Professional Development Symposium, and Awards Banquet completed just before the country shut down due to COVID-19 Pandemic. Attendance was very much appreciated. We hope to be in a position to meet face-to-face again in 2021.

Stay well. Stay safe.

David Lynch, Ph.D., P.Eng. (AB), President Engineers Canada

Reinstatement Policy Check Website for Full Policy

A request for reinstatement must be accompanied by a completed and signed application form, current resume, government issued identification, and the application fee, if circumstance require payment of the application fee (as below).

Staff will confirm standing of the applicant in other Canadian jurisdictions based on where the applicant is/has been licensed to practice. The applicant identifies other jurisdictions on the application form.

The application fee will be waived if the registrant resigned from NAPEG in good standing within the previous two years (24 months). If it has been more than two years, the applicant must include the application fee with the request outlined above.

2020 Awards of Merit

Professional Award of Merit in Engineering***Iqaluit International Airport Improvement Project***

This award is presented in recognition of innovative and comprehensive engineering for the improvements to the Iqaluit International Airport. The Iqaluit airport is a critical element of infrastructure in arctic Canada and is key to maintenance of services, national and international safety, and sovereignty of Canada. The facility meets or exceeds all of the objectives that were defined by the Government of Nunavut when contracting the engineering services.

***Professional Award of Merit in Geoscience******Inuvik Tuktoyaktuk Highway Project***

This award is presented in recognition of the comprehensive and advanced geoscience that contributed to the successful development of the Inuvik Tuktoyaktuk Highway (ITH). The ITH - NT Highway 10 is a 140-km long highway constructed between the northern edge of the community of Inuvik and the southern edge of Tuktoyaktuk. It is the only public highway in Canada connecting the southern Canadian road system to the arctic coast. It is truly a unique project in Canada and the world as it opens Canada up from Sea to Sea to Sea.
