

## GRADUATE STUDIES SCHOLARSHIP TERMS OF REFERENCE

### General

The Northwest Territories and Nunavut Association of Professional Engineers and Geoscientists (NAPEG) Education Foundation may award up to two scholarships per year in the amount of seven thousand five hundred dollars (\$7,500.00) each. The purpose is to provide financial assistance to Northwest Territories or Nunavut resident member engineers and geoscientists who are furthering their studies in engineering or geoscience.

### Objectives

The NAPEG encourages the achievement of excellence in the engineering and geosciences professions through the promotion of advanced studies and research programs by providing financial assistance to engineers and geoscientists returning to university for further study in a Master's or PhD program.

The objectives of the scholarships are to:

- 1) promote the professions of Engineering and Geoscience to the Northwest Territories and Nunavut residents as established and respected careers;
- 2) recognize and financially assist NAPEG members enrolled in a recognized program leading to a post-graduate university degree in engineering or geoscience; and
- 3) increase public awareness of NAPEG as an organization actively concerned about encouraging all people in the engineering and geoscience professions, present and future community leadership through its membership, and the continued growth of the professions in the Northwest Territories and Nunavut.

### Eligibility

Applicant must be a NAPEG member-in-training and registered as a full-time student for the following academic year.

### Selection Criteria

Selection of the scholarship recipients will be based only on information provided with the application. No restrictions are placed on scholarship recipients holding other grants or awards or receiving assistance or income from other sources.

The scholarships are attributed on the basis of (not necessarily placed in order of importance):

- a) academic achievements
- b) professional work achievements
- c) community volunteer experience and achievements

### Application

The applicant must complete the attached Scholarship Application Form.

## Application Closing Date

The scholarships will be advertised for eligible candidates commencing May of each year.

Applications must be received by August 15th.

Final decision for awarding the scholarship will be made by the NAPEG Education Foundation in September of the same year.

The NAPEG Council has the right to decide the number of scholarships awarded each year.

The application should be addressed:

Secretary-Treasurer  
NAPEG Education Foundation  
201, 4817 - 49th Street,  
Yellowknife, NT X1A 3S7

Phone: 867-920-4055 Email: [registrar@napeg.nt.ca](mailto:registrar@napeg.nt.ca)

# GRADUATE STUDIES SCHOLARSHIP APPLICATION

## 1. PERSONAL INFORMATION

Title	First Name	Last Name
Mr.      Ms.      Mrs.		

### Mailing Address

Street/PO Box			
City/Town			
Territory		Postal Code	
Email			
Home Phone		Cell Phone	

## 2. AREA OF STUDY TO BE PURSUED

The candidate must be registered **full-time** from September to April or May

Name of Program	Discipline	Specialty	
Degree to be Obtained	Start Date (MM/YYYY)	Expected Graduation Date (MM/YYYY)	
Name of School or University	City	Province	Country

Please include proof that the school or university has accepted you or that you are enrolled in the program.

## 3. ACADEMIC PERFORMANCE

Transcripts are required for all university academic records (completed or in progress).

Bachelor's degree / University	Discipline	Graduation Date (MM/YYYY)
Accumulative GPA	Class Standing	

Master's degree / University	Discipline	Graduation Date (MM/YYYY)
Accumulative GPA	Class Standing	

PhD degree / University	Discipline	Graduation Date (MM/YYYY)
Accumulative GPA	Class Standing	

#### 4. SCHOLARSHIPS AND HONOURS

One additional sheet may be attached to your application form.

Name of Award	Granting Body	Year

#### 5. THESES AND PUBLICATIONS

One additional sheet may be attached to your application form.

Theses may not have been published but may have led to publications in refereed journals or have been presented at meetings. List publications in the following order: papers published in or accepted by refereed journals; other refereed contributions; non-refereed contributions; patents.

Theses and Publications

#### 6. OUTLINE OF EMPLOYMENT EXPERIENCE AND COMMUNITY SERVICE

If applicable, explain any gaps in your employment history. Attach no more than two single-spaced pages. Include the following information for each employment and or community service entry.

Period (MM/YYYY)	Name of Employer and Location	Position or Title	Nature of Work (i.e. responsibilities)	Relevance of accomplishments to current studies undertaken (or to be undertaken)

## 7. CAREER GOAL

Please attach a separate sheet.

Please submit a 300 – 500 word essay on the following.

Your career goal and why you made the choice you did (your career choice must be in engineering, geology or geophysics) **AND**

- a) How your career goal benefits the North; **OR**
- b) Why you believe that you are a good candidate for this scholarship.

Preference will be given to highly motivated individuals with a strong academic background and demonstrated community and leadership capabilities.

Please feel free to attach any letters of reference or additional information that further details your career interest in the fields of Engineering or Geoscience.

Your total submission including this application should not exceed 15 pages.
